FBIS-FTD Coordination

OHC hosted a meeting of FBIS, FTD, and DIA/DT representatives to discuss FBIS-FTD coordination in the exploitation of foreign S&T literature. While interagency studies in the past have pointed up the need for such coordination there has been no followup action. At the meeting FBIS, FTD, and DIA/DT representatives have agreed to prepare a joint report for the Chairman, HRC, evaluating prospects for increased coordination between the two organizations and outlining specific actions that may be feasible.
